IEEE Xplore IEEE Transactions on Power Electronics

February 8th, 2019 - The Journal covers all issues of widespread or generic interest to engineers who work in the field of power electronics The Journal editors will enforce standards and a review policy equivalent to the IEEE Transactions and only papers of high technical quality will be accepted

Floating point arithmetic Wikipedia

February 15th, 2019 - Zuse also proposed but did not complete carefully rounded floating point arithmetic that includes $\pm \infty$ and NaN representations anticipating features of the IEEE Standard by four decades In contrast von Neumann recommended against floating point numbers for the 1951 IAS machine arguing that fixed point arithmetic is preferable The first commercial computer with floating point hardware
